

## Tzero

Tzero brings the full REL connectivity suite, a 6.5" long throw driver and a powerful reliable amplifier to an entry level price point. Tzero is, a true design accomplishment because never before have we delivered so much for so little while maintaining so much quality. Five coats of lacquer, NextGen Class D amplifiers, High level inputs, .1/LFE separate input stages, rugged 6.5" main driver with exceptional output and low bass extension for its size means Tzero delivers full-size functionality and experience in a fraction of the space.
